4. Providing the Transportation Services

4.1. The Driver's Obligations. You hereby guarantee to provide Transportation Services in accordance with the General Terms, Agreement as well as laws and regulations applicable in the state where you are providing Transportation Services. Please note that you are fully liable for any violation of any local laws and regulations as may arise from providing Transportation Services.

4.2. You must have all licenses (including a valid driver's license), permits, car insurance, liability insurance (if applicable), registrations, certifications and other documentation that are required in the applicable jurisdiction for providing the Transportation Services. It is your obligation to maintain the validity of all aforementioned documentation. PrivateCab reserves the right to require you to present evidence and submit for review all the necessary licenses, permits, approvals, authority, registrations and certifications.

4.3. You must provide the Transportation Services in a professional manner in accordance with the business ethics applicable to providing such services and endeavor to perform the Passenger's request in the best interest of the Passenger. Among else, you (i) must take the route least costly for the Passenger, unless the Passenger explicitly requests otherwise; (ii) may not make any unauthorized stops; (iii) may not have any other passengers in the vehicle other than the Passenger and the passengers

accompanying the Passenger; and (iv) must adhere to any applicable traffic acts and regulations, i.e. must not conduct any actions that may disrupt driving or the perception of traffic conditions, including holding a phone in his/her hand while the vehicle is moving.

4.4. You retain the sole right to determine when you are providing the Transportation Services. You shall accept, decline or ignore Transportation Services requests made by Passengers at your own choosing.

4.5. Costs you incur while providing the Transportation Services. You are obliged to provide and maintain all equipment and means that are necessary to perform the Transportation Services at your own expense, including a car, smartphone, etc. You are also responsible for paying all costs you incur in the course of performing the Transportation Services including, but not limited to, fuel, mobile data plan costs, duty fees, amortization of the vehicle, insurance, relevant corporate or payroll taxes etc. Please bear in mind that using the PrivateCab App may bring about consummation of large amount of data on your mobile data plan. Thus, we suggest you to subscribe for a data plan with unlimited or very high data usage capacity.

4.6. Fares. You are entitled to charge a fare for each instance you have accepted a Passenger on the PrivateCab Platform and completed the Transportation Service as requested (i.e., Fare). The Fare is calculated based on a default base fare, the distance of the specific journey as determined by the GPS-based device and the duration of the specific travel. The default base fare may fluctuate based on the local market situation. Additionally, you shall always have the right to charge the Passenger less than the Fare indicated by the PrivateCab App. However, charging the Passenger less than the PrivateCab App indicates, does not decrease the PrivateCab Fee.

4.7. Upfront Fare. A Passenger may be offered to use a ride option that allows the Passenger to agree to a fixed Fare for a given instance of Transportation Service provided by you (i.e., Upfront Fare). Upfront Fare is communicated via the PrivateCab App to a Passenger before the ride is requested, and to you when the ride is accepted or at the end of the ride. The Fare calculated in accordance with section

4.6 shall be applied instead of Upfront Fare if the Passenger changes the destination during the ride, the ride takes materially longer than estimated due to traffic or other

factors, or when other unexpected circumstances impact the characteristics of the ride materially (e.g., a route is used where tolls apply).

4.8. In markets with In-app payment, if you find that there has been an error in the calculation of the Fare and wish to make corrections in the calculation of the Fare, you must submit a petition in the section „Fare Review “of the PrivateCab App. If a petition in the section „Fare Review “of the PrivateCab App has not been submitted, then PrivateCab shall not recalculate the Fare or reimburse you for an error made in the calculation of the Fare. This option is not applicable in markets with only cash payment.

4.9. PrivateCab may adjust the Fare for a particular order completed, if we detect a violation (such as taking a longer route or not stopping the fare meter of the PrivateCab App after the Transportation Services have been completed) or in case a technical error affecting the final fare is identified. PrivateCab may also reduce or cancel the fare in case we have reasonable cause to suspect a fraud or a complaint by the Passenger indicates a violation by you. PrivateCab will only exercise its right to reduce or cancel the fare in a reasonable and justified manner.

4.10. Passenger may have the option to pay the fare for the Transportation Services either directly to you or via the In-app Payment, in markets where this option is available, as described in section 6 of these General Terms. In case the Passenger pays the Fare directly, it is your obligation to collect the Fare. In case the Passenger fails or refuses to pay, PrivateCab will send a notice of debt to the Passenger on behalf of you. Such authorization derives from the mandate of paying agent given to PrivateCab and does not entail that PrivateCab has an obligation to compensate the Fare not paid by the Passenger. If the passengers in the vehicle do not agree to pay the Fare for the provision of Transportation Service, the Fare will be paid by the Passenger who has ordered the provision of Transportation Service. If Passenger justifiably refuses to pay the Fare on the account that your information stated in the PrivateCab App is incorrect, then PrivateCab will not reimburse you for such expenses.

4.11 Tips. In some markets Passenger may be given the option to tip you after a successful provision of Transportation Services. The Passenger can Tip you only by means authorized by PrivateCab for Tipping. The Tip will not affect the amount of PrivateCab Fees and PrivateCab will not collect a commission on the Tip paid by the

Passenger. You are obliged to fully comply with any tax obligations arising from the Tipping. We may limit the maximum value of a Tip at our sole discretion.

4.12. Receipts. After each successful provision of Transportation Services, PrivateCab shall create and forward a receipt to the Passenger consisting of some or all of the following information: the company's business name, place of business, the first name and surname of the Driver, a photo of the Driver, service license number (if applicable), the registration number of the vehicle, the date-, the time-, the start and end locations-, the duration and length-, the Fare and the Fare and Tip paid for the provision of the Transportation Services. The receipt of each provision of Transportation Services is available to you via the PrivateCab Driver Account.

4.13. Cancellation fee & wait time fee. Passenger may cancel a request for Transportation Services that a Driver has accepted via the PrivateCab App. In some markets, Driver may be entitled to the Fare for cancelled Transportation Services (Cancellation Fee) in the event that a Passenger cancel accepted request for Transportation Services after certain time period determined by PrivateCab App.

4.14. If, in the course of the provision of the Transportation Services, a Passenger or its co-passengers negligently damage the vehicle or its furnishing (among else, by blemishing or staining the vehicle or causing the vehicle to stink), you shall have the right to request the Passenger to pay a penalty up to 300 GH¢ and request compensation for any damages exceeding the penalty. If the Passenger does not consent to paying the penalty and/or compensating the damage, you must notify us and we will then try to collect penalty and/or relevant costs on your behalf from the Passenger. However, bear in mind that we are not taking any liability for direct or indirect damages in relation to cleaning or maintenance of the vehicle caused by Passenger.

4.15. Your tax obligations. You hereby acknowledge that you are obliged to fully comply with all tax obligations that arise to you from the applicable laws in relation to providing the Transportation Services, including (i) paying income tax, social security tax or any other tax applicable; and (ii) fulfilling all employee and tax registration obligations for calculations in regard to accounting and transfers to applicable State authorities as required by the applicable law. In case the Tax authority will submit a valid application to us to provide information regarding the activities of you, we may make available to the Tax authority the information regarding the activities of you to

the extent set forth in valid legal acts. Additionally, it is your obligation to adhere to all applicable tax regulations that may apply in connection with the provision of Transportation Services. You hereby agree to compensate PrivateCab all state fees, claims, payments, fines or other tax obligations that PrivateCab will incur in connection with the obligations arising from applicable tax regulations not having been met by you (including paying the income tax and social tax).

4.16. The Driver's authorization to issue invoices. PrivateCab has a right to issue an invoice on your behalf to the Passenger in order to compensate you any Fares, contractual penalties or other fees that PrivateCab mediates to you. In markets where PrivateCab issues invoices, the invoice will be made available to you via the PrivateCab Driver Account.

5. PrivateCab Fees

5.1. In order to use the PrivateCab Services, you are obliged to pay to a fee (i.e., the PrivateCab Fee). The PrivateCab Fee is paid based on the Fare of each Transportation Service order that you have completed. The amount of the PrivateCab Fee is made available to you via e-mail, PrivateCab App, PrivateCab Driver Account or other pertinent means. Please acknowledge that the PrivateCab Fee may change from time to time. We shall send you a prior notification of each such change.

5.2. You must pay the PrivateCab Fee and any other fees due to us for the previous month at latest by the 15th date of the following month. 6.3. PrivateCab reserves the right to distribute promo code to riders at our discretion on a per promotional basis. You are required to accept the use of promo code only when the rider applies the code in-app to a trip. If the use of promo codes is suspected as being fraudulent, illegal, used by a Driver in conflict with our Terms and Conditions relating to promo code use, then the promo code may be canceled and the outstanding amount will not be reimbursed by PrivateCab to the Driver.

6.4 If the option is available and the Passenger chooses to Tip you directly in the PrivateCab App, the Tip will be collected by PrivateCab on your behalf together with the Fares and other fees paid by the Passenger via the In-app Payment. If the payment of the Tip is suspected as being fraudulent, illegal, for a purpose other than as a gratuity related to the service provided or used by a Driver in conflict with our Terms and Conditions and, then the Tip can be withheld by PrivateCab.

6.4. You are entitled to review In-app Payment reports in the PrivateCab Driver Account or App. The reports will show the amounts of the In-app Payments brokered in the previous week as well as the withheld amounts of the PrivateCab Fee. You must notify us of any important circumstances which may affect our obligations to collect and distribute the Fares paid via In-app Payment.

6.5. We are not obliged to pay you the Fare due from the Passenger if the In-app Payment failed because Passenger's credit card or other payment is cancelled or is unsuccessful for other reasons. In such case we will help you in requesting the Fare due from the Passenger and shall transmit it to you once the Passenger has made the requested payment.

6.6. Before providing Transportation Services, you must verify that the service is being actually provided to the right Passenger or the Passenger has expressly confirmed he/she allows other passengers to ride under Passenger's account. If you make a mistake in identifying the Passenger, and the In-app Payment is charged to a person, who has not been provided or has not approved the Transportation Services for other passengers, then we shall reimburse the person for the Fare. In such case you are not entitled to receive the Fare from us. Additionally, for every wrongfully applied In-app Payment, we shall be entitled to charge you a contractual penalty up to 70 Gh¢.

6.7. Please note that we will set off any Fares or Tip paid via In-app Payment against the amounts that you are obliged to pay to us (i.e., PrivateCab Fees and contractual penalties). We reserve the right to fulfil any of your financial liabilities to Private Cab Limited, in which case we will acquire the right to submit a claim against you. We may set off any of your financial liabilities against financial liabilities that you may have against us.

6.8. If we are not able to pay the Fees or Tip to you due to you not including your bank account details in your Driver's account or if the bank account details have been noted incorrectly, then we will hold such payments for 180 days. If you do not notify us of the correct bank account details within 180 days from the date that the right to claim such payments has been established, your claim regarding the payment of the Fare or Tip not transferred to you shall expire.

If, after a pertinent notification from us, you do not increase your average rating or activity score to minimum level within the prescribed time period, your Driver's account will be automatically suspended either temporarily or permanently.
